Figure 1 of the originally published article [1] showed an incomplete figure legend. The correct figure legend should read:

"Poster used as part of the SOLACE project to promote women's participation in lung cancer screening.

The SOLACE project is co-funded under the EU4Health Programme 2021–2027 under grant agreement no. 101101187. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or HaDEA. Neither the European Union nor the granting authority can be held responsible for them."
